

ADUENTUS

Classic
2010

WINEMAKING:

Aduentus Classic is a Bordeaux-style blend whose gorgeous color — a rich garnet with glints of inky black — provides an immediate clue to the varietal whose predominance gives the finished wine its Argentinean twist. Malbec, Argentina's signature red grape, enjoys optimal growing conditions in our vineyards high above the Uco Valley — as do Classic's supporting players, Merlot and Cabernet Sauvignon. At our winery, the 2010 harvests of each varietal were gently crafted into exquisite wines before being artfully blended into this delicious vintage.

TASTING NOTES:

Ripe berry fruit flavors with notes of white chocolate, black olives, and white pepper provide plenty of mouthfilling satisfaction. Tannins are robust yet smooth, adding to the impression of roundness and complex elegance.
