

# Estímulo

Varietal: Cabernet Sauvignon

Vintage: 2011

Region: Mendoza, Argentina

## DESCRIPTION:

Because Estímulo deliberately guards against the aromatic and structural impact of oak-barrel aging, this ruby-red wine fully delivers the bright-flavored complexity of Cabernet Sauvignon grapes grown in Argentina's most prestigious growing region. At our gravity-fed winery, gentle winemaking produces a silky wine whose plum and cherry fruit is accented with notes of peppery spice and balanced by natural acidity. Supple tannins persist through a long finish.
