

# Estímulo

Varietal: Malbec

Vintage: 2012

Region: Mendoza, Argentina

## DESCRIPTION:

An intense violet in color, Estímulo Malbec has mature tannins that support fresh plum, strawberry and cherry flavors. A good balance of acidity, sustained through the lingering finish, invites repeated sips and makes this a terrific table wine. Estímulo handpicks its Malbec grapes when they are at optimum ripeness and — to promote the expression of pure varietal flavor — we handle the chilled clusters with utmost gentleness, avoiding forced tannin extraction and consequent risk of harshness in the finished wine.

## TECHNICAL DATA:

Composition: 100% Malbec  
Alcohol: 13.9%  
Total Acidity: 5.20%  
pH: 3.65  
Residual Sugar: 0.21%  
Barrel-Aging: None
